

Alameda Community Sailing Center's **2018 HOLIDAY DRIVE**

As sailors, we all know sailing is awesome. The challenge of reading the wind. Setting the sails just so. Spirited racing or zen-like relaxation. Plus that lovely music of water, rushing along on the hull. It breaks our maritime hearts that despite being an island community, not everyone has the opportunity to share our little passion.

The Alameda Community Sailing Center was formed with the simple goal of getting more people out on the water. And each year we strive to make our camps better, continue to offer youth scholarships, and host open days for the entire community. So how are we doing? 2018 was our best season yet with 225 campers, many more opportunities to get your sail on, and a great, diverse curriculum.

All this is made possible, in no small part, thanks to our supportive community. So this holiday season, please help us as we continue to grow. Below is a link to our 2018 Holiday Drive. Please consider making a **tax-deductible** donation, and if you haven't already, check out the ACSC. Next season's going to be the best one yet.
