

Alameda Community Sailing Center's **OPEN SAILING**

Open Sailing gives you the opportunity to practice and improve your sailing skills in a safe and supportive environment. You must have completed a sailing course with Alameda Community Sailing Center within the last 2 years or have prior approval from an ACSC Supervisor to attend this course. Camp and course graduates are invited to bring guests along in their boats. While Open Sailing sailors are expected to be able to sail independently, we will have safety boats and instructors on water to help assist in refining your sailing skills and to answer any questions. The Unlimited Season Pass grants access to all Open Sailing Days.
