

Alameda Community Sailing Center's **2018 HOLIDAY DRIVE**

As sailors, we all know sailing is awesome – the challenge of reading the wind and setting the sails just so, that sound of waves on the hull, learning a new knot, spirited racing or zen-like relaxation. It breaks our maritime hearts that despite being an island community, not everyone has the opportunity to share our little passion.

Six years ago ACSC was formed with the simple goal of getting more people out on the water. Since then, we have made our camps better, expanded our boat storage facility, and continue to offer need-based scholarships. 2018 was our largest season with 225 campers and more opportunities to get on boats.

Thanks to significant funding of grants and generous donations, we are continuing to get people out on the water. This holiday season you can support us as we continue to grow. Below is a link to our 2018 Holiday Drive. Please consider making a donation, help us spread the word, and if you haven't already check out the ACSC.
